Artist Support Programme

Summer 2011 has seen Dance in Devon create a number of amazing new opportunities for local dance artists by providing crucial time and space to create work. 'Making Space' took place deep in the north Devon countryside, in partnership with Beaford Arts, and 'Space to Play' was hosted by Exeter Northcott in the heart of the city. The creative developments resulted in our 3rd annual 'Watch This Space' showcase of home grown contemporary dance and the progress and professionalism was remarked upon by artists and audience. We now have other venues asking for our showcase! Well done to everyone involved.
